

EthiKomiks: Learning Ethics through Digital Komiks

What is **EthiKomiks**

EthiKomiks is an interactive, audio-visual **pedagogical device** for teaching and learning *Ethics*. It seeks to provide a holistic understanding of different ethical concepts and theories through the use of storytelling and short vignettes in *komiks* form.

Ethics is part of the **general education** curriculum mandated by the Philippines' **Commission on Higher Education** (CHED). It aims to introduce students to the **philosophical study of the grounds of morality**. (See [CHED's sample syllabus](#).)

Our homepage is: <https://sites.google.com/dlsu.edu.ph/ethikomiks/home?authuser=0>.

Who is **EthiKomiks** for

EthiKomiks is for teachers and students of *Ethics*, or for anyone interested in learning about the philosophical foundations of morality.

How to you use **EthiKomiks**

EthiKomiks is primarily a **teaching supplement** that can be used by *Ethics* teachers. Each *komiks* may be used as an **icebreaker** to the lesson or a **point of discussion** for students.

Since it is made to be a teaching supplement or tool, **EthiKomiks** does not provide an exhaustive discussion of any of the topics in the *Ethics* course. It should also not be treated as a primary reference.

General Directions

- Go to <https://sites.google.com/dlsu.edu.ph/ethikomiks/home?authuser=0>
- Once you click on the desired *komiks* below, you will be led to a landing page.
- Each landing page has a **study guide, key questions, suggested readings and materials**, and a **link** where you may **download** the *komiks*.

- The study guide offers a general overview of the topic introduced in the *komiks*. Key questions are given to further the student's reflection. The suggested readings and materials are publicly available documents for students to go over.
- The link will lead to a **DropBox** page where you may download the *komiks*.
- After downloading, open the *komiks* in *MS PowerPoint* and click the *Slide Show* button.
- Then you are on your way.
